PRINCIPAL'S MESSAGE

Not many years ago a grade eight education was considered satisfactory for most pupils. Those who completed grade eight could expect to find ready employment in business and industry. Many opportunities existed to become skilled on the job.

Society, today, has become much more complex than it was. Machines now do most of the work previously done by hand, and the need for unskilled labor has almost disappeared. Industrial leaders are already warning that technological advances are creating a tremendous demand for highly skilled technicians and for professional workers.

Today's high school graduates, while not meeting the latest requirements of the modern world, are well along the road towards this goal. The skills and learnings they have mastered should fit them for further education and training. But the facts and figures learned are not important things. It is the tools of learning, and the skill in studying and gaining knowledge that are vital.

One of the hardest things for young people to learn is patience—the type of patience that enables high school pupils to resist the urge to get out into the world, to earn a living, and to gain adult privileges. Being members of the Graduating Class shows that you have this patience, and the determination to gain the education so necessary for future success and happiness. Each graduate holds a preferred position in society, whether he plans to enter a service occupation, take training for a skilled or technical occupation, or enter an educational institution leading to one of the professions. While few may equal the accomplishments of an astronaut, each may fill a useful and satisfying place in the world.

The staff at Eastglen joins in wishing every success to the Graduates. If you keep up the promise that so many of you have shown while you were here, there will be no question of your success.

YEARBOOK EDITORIAL

As I sit writing this editorial, vainly trying to think of a suitable topic, the dominant idea pervading my mind is that the first stage of our education is nearing an end. The graduates are embarking on a new life, either one of further education or of practical application of what they have learned.

In the future I am sure that some of our graduates will go on to become leaders in their fields while others will enter into routine jobs which must be done, but for every graduate of Eastglen there will be a small book which holds a record of their activities as students of our school.

The high school years have flown by, never to be relived except through the pictures and articles contained in this little book. We, the year-book staff hope that the 1961-62 edition of the Blue and Gold will bring back many fond memories of your youth, in the years to come.

In Memoriam

MR. TERRENCE KELLY

On August of this year, illness claimed the life of Terrence Kelly, a well-liked and greatly respected teacher at Eastglen for the past four years. He is survived by his wife and three-year-old twin daughters.

Mr. Kelly was a graduate of Garneau High School, and upon deciding to follow in his mother's footsteps, entered the Faculty of Education at the University of Alberta.

After gaining his Bachelor of Education Degree in 1953, Mr. Kelly joined the Edmonton Public School Board. He began teaching Industrial Arts at Queen Alexandra. Before coming to Eastglen, Mr. Kelly taught at Allendale for the 1956-57 term.

In 1959 Mr. Kelly obtained his Master of Education Degree from Oregon State University.

Even though he passed away at an early age, his contributions to the teaching of automotives will be appreciated for many years. His death was a great shock to all, and he is sadly missed.

TERRENCE KELLY MEMORIAL TROPHY

The 1962 Terrence Kelly Memorial Trophy was awarded to Wes Heard, the outstanding automotive student of the year.

BAYARD W. REESOR

HONORARY GRAD PRESIDENT'S MESSAGE

This year marks a milestone in the lives of you the Graduating Class—one toward which you set your sights when you first entered high school.

Your graduation is a happy time, as you climb your "stairway to the stars," but its happiness must not be allowed to obscure its seriousness. This deeper significance was expressed at my own high school graduation: "Graduation time should be a time of retrospect when each graduate pauses for a moment to look back over the way he has come, to think of the achievements and failures, and to gird himself for the way which lies ahead. Fortunate indeed is the graduate who can learn from his past experiences, and having learned can resolutely put his past behind him and set his face steadfastly toward a new goal.

"Then too, this graduation time should be a time for looking forward, a time when each graduate sets before himself a new 'clear purposed goal' and scans carefully the path by which he must reach it. The goal must be a worthy one, and, if it is, the path to it will be forward and upward and very likely difficult."

You are entering a sadly troubled world, a world in which the only certainty seems to be uncertainty itself. The challenge held out to you is great; its acceptance requires young men and women who are dedicated to the service of others and who are willing to lose themselves in that service. May you be found not wanting.

VALEDICTORY ADDRESS

SANDRA BEAVIS.

Mr. Chairman; Members of the Senior Class; Honored Guests; Members of the Staff; Ladies and Gentlemen:

We are assembled this evening to bid farewell—to each other and to the guiding forces who have brought us safety through this difficult and complex process—"growing up."

None of us need be reminded that we live in a world of transition, an age of scientific advancement—"The Space Age." This, our graduating year, is one of particular significance. The date February 20, 1962, will go down in history as the first step of the Western Democracies into space. Let us liken our lives thus far to the entire process of setting man in space.

In order that the rocket be shot successfully into orbit, experts and trained people are necessary. For us, these people have been the teachers who have so tolerantly guided and instructed us over the past twelve years, giving of their time and effort that we might profit from their experience.

The space ship itself is composed of innumerable, intricately designed parts, which when fitted together, correctly produce the desired structure. Likewise, we young people possess many characteristics of personality: qualities of leadership, citizenship, sportsmanship, and emotional stability that have been gained through the work of parents and teachers; through participation in activities at the Y.M.C.A. the church, and the school. When each of these traits is fitted together correctly, a responsible, well balanced young person emerges.

Even as the rocket must undergo rigid tests before the actual flight, so must we. Our last three or four years in high school have proved to be the testing grounds, and we who are graduands have met the preliminary requirements. Now we await the countdown. During the next two months we will hear each second slowly ticking off on the stop watch, and when final examinations are over and the countdown has ceased, we will be like the space craft . . . projected into the unknown; but for us, it will be into the future of business or professional life, into the new world of adulthood where we will be our own pilot and navigator, and where we will have to assume the responsibility of maintaining world peace and brotherhood.

With graduation, some will have finished their formal education and will enter various fields of endeavour; others will go on to university and higher learning. Whatever the path we choose, may we seek to live up to the school motto — "Velle est Posse" — "Where there is a will, there is a way."

Let this not be "goodbye," only "au revoir" - "Till we meet again."

Richard Vest.

GRAD CLASS HISTORY

It seems hard to believe that just three short years ago we entered Eastglen and now after these years have almost passed we are preparing to write our final examinations, the passing of which will serve as a key to a new world of learning. Here at Eastglen we received the most important part of our education; that part which will help us in our future jobs or our endeavours at university. But in two short months we will be saying "Adieu" two short months we will be saying to Eastglen, the teaching staff, and to all the undergrads, but the memories of Eastalen will remain in our hearts long after we have

left her golden doors.

We will always remember the aroma of H₂S gas as it floated down the halls, mingling with the unpredictable scent that would evolve from the cafeteria every noon hour. In the first days of our Frosh year we found ourselves elbowing through the crowds that jammed the halls looking for our classrooms. At last we found them. (?) We took our seats trying to make ourselves comfortable and looked up at the teacher who was at the blackboard writing $\sin + \cos i = 1$. . . this is Social 10? . . . our faces turned red and we mumbled something about being in the wrong room and scurried out amid thunderous laughter from both students and teacherand so went Frosh Welcome Week.

During the 1959-60 season Eastglen athletes managed to keep up Eastglen's tradi-tional reputation as a fine competitor and a potential victor in any field of sport, with the winning of the City Track and Field Championship and the Senior Girls' Basketball

Championship.

Our first year at Eastglen saw some of the finest dances ever put on: Schmoo's Schuffle, Snow Ball, Cupid's Leap and Bunny's Bounce. One of the highlights of the year was "Musical Madness," a musical journey through time. The Drama Department did a fine job in its presentation of "Mrs. McThing."

September of 1960 saw us in our sophomore year, Grade II. Eastglen can be ex-

tremely proud of its athletes during the 1960-61 season as the Junior boys captured the City Junior Football title and the senior girls took the City Basketball Championship.

This year also saw, for the first time in Eastglen's history, two yearplays produced by the drama department: "The Diary of Anne Frank," considered to be one of the best highschool productions and certainly the best play ever produced at Eastglen, and the cleverly staged "If I Were King."

The following year we returned from our vacation to enter into our last year of highschool, or what we hoped would be our last year. Again Frosh Welcome Week started the term rolling. Our new executive took office, ably headed by a competent female member of our Graduating Class, Margaret Kopala.

This last year is passing quickly and is almost at an end. We have passed it pleasantly with school dances and the fine production of "The Happiest Days of Our Life," but now we are awaiting the grand finale of our school's social activities, the 1962 graduation banquet and dance.

In the past year we reached the summit of achievement in the field of sport by capturing both football titles and the senior basketball team displayed remarkable skill and sportsmanship, only to be edged out of the top spot by our eternal rivals, the Vic. Redmen. We are now looking forward to great things at the City Track Meet.

During our years at Eastglen we gained an education through the patience and guidance of our teachers. Our thanks go to all the teachers who prepared us for our upcoming finals.

While at Eastglen we made new and lasting friends and renewed old acquaintances. Indeed our lives at Eastglen climaxed twelve years of schooling, which has prepared us for the path we will travel in future years.

Well, that's it. See you all next year.

THE GRAD EXERCISES

Over a decade of work was climaxed on the night of May 4, when Mr. W. McLean presided over the Graduating Exercises. Following the Processional of the Graduates, Rev. A. E. King of the Highlands United Church delivered the Invocation. Greetings from the city were extended by Dr. M. Weinlos following the salutations from the School Board by Dr. J. H. M. Andrews. Richard Vest delivered the Grad Class History. A vocal solo by Linda Warner, accompanied by Phil Warner, preceded the presentation of an "Achievement Book," by Marilyn Crossen, Grad Class President, to Mr. S. Deane on behalf of the 1962 Graduating Class. Certificates were at that time awarded to the Graduates. The President of the Students' Union, Margaret Kopala, introduced Sandra Beavis, the Valedictorian. Following the Valedictory, Dr. L. H. Cragg, Vice-President of the University of Alberta, delivered an inspirational address to the Graduates. Choral selections from the Eastglen Chorus were followed by "God Save the Queen," and the Recessional of the Graduates.

GRAD DANCE

"STAIRWAY TO THE STARS"

"Stairway to the Stars"—the banquet and dance was held at the Jubilee Auditorium on the evening following the Exercises. After a delicious turkey dinner, Grad Class President, Marilyn Crossen introduced the Honorary Grad Class President, Mr. B. Reesor, and Brian Yerxa, who presented the Grad Class Prophecy. The toast to the school was given by Margaret Kopala, and the toast to the Grads by Barry Cooper. Entertainment was provided by Marlin and Sharon Wolfe, who presented selections on the violin and cello.

The dance, "Stairway to the Stars," due to the efforts of the Grad Class Council, Mr. W. Dymianiw, who was Master of Ceremonies at the dance, and the Graduates, proved to be very successful. Highlight of the evening was an exhibition of the "Twist" by Mr. E. Hale. To the strains of "Auld Lang Syne," the Graduates bid "adieu" to Eastglen.

GRAD CLASS PRESIDENT'S MESSAGE

A few weeks before Christmas, the Graduation Class Council was elected, and it immediately began work on the Banquet and Dance.

Grad. Class jewelry was sold during February and March under the direction of Richard Vest, finance manager.

The positions of Valedictorian, Class Historian, Class Prophet, and Honorary President were chosen in March after much deliberation on the part of the senior student body.

Early in April, colorful and humorous posters, created by Harry der Nederlanden and his committee, decked the halls of Eastglen advertising this long-anticipated event.

One of the most difficult jobs—that of the actual planning—fell to Social Convenor, Karen Vollan and her able committee.

The task of planning and executing "Stairway to the Stars" was not an easy one, but to use a well-worn cliche, "the end justified the means."

I would like to thank all those who contributed so much towards making this Graduation a tremendous success.

1960 GRADUATING CLASS TROPHY

Sandra Beavis

The Graduating Class Trophy, presented to the outstanding girl of the graduating class, was presented to Sandra Beavis and Margaret Kopala.

Both girls are very active at Eastglen. Sandra, besides being co-editor for the Blue and Gold, participates in clubs activities and plays the piano in the school orchestra and chorus, aside from these things maintaining an Honors standing. Margaret, who is president of the Student's Union is also an Honor student and member of several Boards, Committees and Clubs. Margaret is an active participant in the productions of the Drama Department.

THE F. G. McCOY TROPHY

Bill McClary

Bruce Allison

This trophy, awarded for outstanding proficiency and skill in Mathematics 30 and 31, was won by Bruce Allison and Bill McClary.

Bill holds executive positions on the Gazette and the Yearbook, and has also maintained a very high academic standing during his high-school career.

Bruce, also an honor student, participates in extra-curricular activities being a member of the Table Tennis Club.

THE JOHN McGUIRE MEMORIAL TROPHY

Kees Joziasse

This trophy, awarded for top marks in Chemistry 30, was awarded to Kees Joziasse. Besides obtaining honors marks Kees is active in many extra-curricular activities. His time consuming activities included chairman of the Constitutional Amendment Committee and of the U.N. Public Speaking Contest. He is a room representative and very interested in U.N.E.D.A.S.

MESSAGE FROM THE PRESIDENT

This year has at times been hectic, harrassing, even gruelling, but not for a minute has it been dull. The field of student government has opened a whole new realm of experience for myself and I would venture to say, for several other members of the executive and students' council.

This, I feel, is the time to commend Eastglen's room representatives of 1961/62 for their service to their home rooms and to the rest of the school. They have sat through both tedious and uproarious sessions of council all in the best interests of Eastglen.

I, personally would like to thank the members of the executive for their unending co-operation and the welcomed assistance they have given me in carrying out my responsibilities. Special thanks to Mr. Taschuk, other members of the administration, and the office staff for their guidance and their most highly valued time.

For me, it has most decidedly been a pleasure to serve as your president. Every frantic minute has been fun and well rewarded.

Best of luck to all and may everyone's best hopes and ambitions be fulfilled.

"Velle est posse."

YEARBOOK PERSONALITIES

On these two pages you will find an odd collection of humanity some of whom have given tirelessly of their time.

Two people who have rocked the office with their jokes and jovial tales of adventure are "Bubbling" Brent Pickard and "Handsome" Harv Holinski — and occasionally everything breaks loose when "Jungle" Jim Bannard and "Bombastic" Barry Cooper join the group.

And then there's that big brute Adrian Spronk who is forever picking on the poor, defenceless female editors. The editoresses' lot is not a happy one due to the fact that both the Advertising Manager and assistant editor Riske give the girls no rest with their remarks about the "Decline and Fall of the 8th Edition of the Blue and Gold."

Gary Logue, our photographer has developed an itchy shutter finger (along with all the other things he's developed in the dark room).

But seriously now, many thanks are due to the staff of the Blue and Gold and their sponsor, Mr. Bourgoin.

In their attempts to add a morsel of humor (?) to this edition of the Yearbook the editors by misfortune forgot to include themselves as Yearbook Personalities for most certainly they are. There is of course the features editor Smiley Sandra, and the compositing editor, Amorous Appleby. Between these two straw bosses, the highly paid and valued Yearbook Staff has turned into a group of phinx.

SENIOR FOOTBALL

Eastglen has enjoyed rare success in the football year. The Blue Devils played through the entire season without a loss and were rewarded with the city championship. The most exciting games were played against Victoria Composite High School. The two undefeated teams met in the last league game and played to a 0-0 tie. The final game was a dramatic see-saw battle. Eastglen scored a single point in the dying moments of the game to win by a score of 3 to 2. Congratulations to the coaching staff, Mr. D. Munro and Mr. J. Hudson.

Fifth Row: Mr. W. Dymianiw (assistant coach), Mr. E. Wynnychuk (head coach), Mr. R. Yasui, Mr. J. Ingle (assistant coaches).

JUNIOR FOOTBALL

For the second consecutive year the Junior Blue Devils have emerged with the city championship. Their lone defeat was at the hands of Ross Shepherd High School, whom they defeated in the final game by a convincing score of 22 to 7. Congratulations to the coaching staff: Mr. E. Wynnychuk (Head coach), Mr. J. Engle, and Mr. R. Yasui.

JUNIOR BOYS' BASKETBALL

The Junior Basketball Team, the "Blue Devils", were ably coached in the 1962 season by Mr. R. T. Blacklock. Although the team didn't bring the Championship to Eastglen, they certainly played all their games with enthusiasm as well as displaying good sportsmanship at all times. Mr. Blacklock is to be thanked for donating his valuable time and effort that he devoted to our team.

Front Row: Left to right, Fred Carmichael, Ray Eliuk, Jim Bilski, John Vanzwoll.

Second Row: Neil Marshall, Bill Bonk, Albert Shaw, Wayne Thirlwell, Mr. D. Munro.

SENIOR BOYS' BASKETBALL

The 1961-62 edition of Eastglen's Senior Basketball team had, in short, a rather sensational year, perhaps the best in Eastglen's history. Starting the year off was the annual "Cahper" tournament in January. They lost only one game in the regular season and ended up a close second. A great deal of desire and hustle were displayed, and this was combined with fine sportsmanship and ability. It was only a few tough breaks that prevented them from taking the championship. We must be proud of the great season our team had and hope that we will have a real contender next year.

Sincere gratitude is extended to Mr. Munro for the many hours he spent coaching the team.

HOUSE LEAGUE ACTIVITIES

GRADE X CHAMPIONS

Back Row: Left to right, Candy Manchuk, Nora Palmerchuk, Janny Vaartstra, Audrey der Nederlanden.

Front Row: Carol Hall, Judy Jamison, Vivian McQuade, Joyce Dickson, Lynn Louie.

The intramural volleyball season opened in November. Systems used for the scheduling of games were similar to last year and proved to be very satisfactory this year.

Many enthusiastic girls turned out for the Grade X league which was based on a system of Physical Education blocks. The teams were fortunate in having Physical Education 20 students refereeing and scoring for them. Congratulations to Block 2 for winning the Grade X volleyball championship.

Grade XI and XII girls were a little less enthusiastic this season, but managed to complete the series without many defaults. The games were based on a double knockout system. Referees and score keepers were members of the Senior volleyball team and games were played two noon hours a week in the new girls' gymnasium. The winning team was House One.

GRADE XI & XII CHAMPIONS

Back Row: Trudy Barlow, Iola Brooks, Sandy Cimdins. Front Row: Barbara Cox, Cheri Belanger, Pat Brooks.

SENIOR GIRLS' BASKETBALL

The Senior Girls' Basketball team recovered nicely after a three game loss to finish second in their division of the league. The semi-finals went to Victoria. The season also included three exhibition games and climaxed with one played in wheel chairs with the Handy Caddies at Alberta College. Thanks to the coach, Miss Foster, and team manager, Laura Aden. We would like to congratulate the Seniors on their spirit and fine playing.

Back Row: Left to right: Sharon Licso, Anne Zahara, Alice Cowling, Ellory Yurchuk, Lois Houglund, Laura Adan.

First Row: Betty Leard, La Donna Hepner, Gail Draeger, Pat Blaine, Sharon Busby.

JUNIOR GIRLS' BASKETBALL

Back Row: Mrs. Eurchuk, Ann Vanzwoll, Rae Edgar, Carol Nixon, Gwen Walters.
Front Row: Betty Couture, Frances Chipchar, Sandra La Casse, Carol Dobbie, Anna Haar.

The basketball league this year was conducted in two divisions. A double round-robin (home and home) schedule was played in each section with the first and second place teams advancing to playoffs. Eastglen's junior girl's played in division one.

Their season was very successful as they lost only one of the first six games played, and were placed first in their division. They entered the playoffs against St. Mary's and defeated them 26-24. This put them in the finals. After a hard, well-played game, Victoria finally beat them 23-10.

JUNIOR GIRLS' VOLLEYBALL

Eastglen's Junior Girls' Volleyball team played their first scheduled games on October 31, winning three out of three. In November they continued their spirit by winning ten and tying one of a total of fifteen games played. The season ended on November 28 with the defeats of Scona and O'Leary by our team.

Back Row: Left to right, Mrs. Eurchuk, Judy Eifert, Carol Nixon, Judy Anderal, Betty Couture, Frances Chipchar, Rae Edgar, Sylvia Kaltowski.

Front Row: Dianne Packeluk, Carol Stein, Dianne Shenfield, Sandra La Casse, Carol Watt, Linda Kopiak.

SENIOR GIRLS' VOLLEYBALL

The Senior Girls' Volleyball team began this season in October with the overwhelming defeats of St. Joseph's and Ross Sheppard. During November they slackened slightly but managed to win six of the ten games played. The games were crowded together and the girls were sorry when the season was completed.

Front Row: Left to right, Anne Vanzwoll, Alice Cowling, Louise Hicks, Lynn Cherry, Dianne Clarke.

Second Row: Miss Foster, Ann Zahara, Sue McCauley, Ellory Yurchuk, Betty Leard, Janet Lussin, Lesley Beavis, Janice Lutz.

The Art Club is a new club for Eastglen, being started last year but not actually getting under way until this school term. The aim of the club is to promote an interest in art throughout the school. A weekly feature is a brief report by a member of the club on some aspect of the field of art that interests him. Following this, the other members try their hand at applying the theme in some practical work. Meetings are held in room 223 on Tuesdays at 11:45. If any member of the Art Club wishes to perform an experiment or complete a project, arrangements are made so that he can use the art work-shop at noon-hours. Each member contributes one item to be sold on Fine Arts Night. Making posters and designing stage sets are among other exciting projects that find their way to the Art Club agenda. There are about fifteen members in the club.

The aim of the Girls' Archery Club is to promote interest in archery as a sport, and to promote various skills in the field of competitive shooting a bow and arrow. At the meetings, held every Thursday at noon in the Archery Range, the girls shoot with standard equipment at the two foot target which is 30 feet from the shooting line but can be moved to 60 feet as soon as the girls learn to shoot with a fair degree of accuracy.

The Girls' Archery Club consists of 26 members. Fees are used to buy new equipment such as arrows and replacements for equipment broken during the course of shooting. Club interest runs high because there is a certain amount of competition among the members, as they are divided into teams and the scores are recorded.

The main objectives of the Booster Club are to promote school events of major interest and to foster school spirit. The activities of the Booster Club this year were centered around advertising athletic events and leading cheers on these occasions. The group presented a numbr of pep rallies, some noon-hour sock dances, and organized various publicity stunts, of which the Blue Devil vs. Blue Devilettes basketball game was perhaps the most outstanding. Also, the club publicized the school dances and the year play, and helped to arrange for student chairmen for "Career Day." The meetings, which were held on Fridays at 11:45 in Room 218, were attended by about twenty regular members.

Every girl in Eastglen who has paid her students' union fees is automatically a member of the Girls' Athletic Association. President of the G.A.A. is the Girls' Sports Rep. who was elected to Council. The remainder of the executive is elected in a general meeting at the beginning of the year which every girl may attend. Two such meetings are held throughout the year. The aim of the G.A.A. is to support and promote the various extra-curricular activities which are outgrowths of the school program for physical education. The club is responsible for running the intra-mural and houseleague sports and for organization of equipment and officials for these various activities. The executive meets fairly regularly and this year has put out several issues of "Sports Shorts" to keep students informed of athletic activities.

On Monday at 12:15 in the new gymnasium, the Dance Club holds half-hour dances for the benefit of sixty-three members. Active participants have enjoyed steps ranging from the cha cha to the "travelling twist." The prime function of the Dance Club is to teach, and improve the techniques of various social dances. Mr. Dymianiw has done a tremendous job introducing new dance steps such as the polka, the waltz, the fox-trot, the tango, and some square dances.

The purpose of the Future Teachers' Club is to give future teachers a chance to acquaint themselves with the responsibilities, privileges and training of their chosen profession. The club meets every other Thursday at 11:45 in Room 220. Discussions, speakers, films, and "practice teaching" constitute the main activities. We now have 10 members but hope to increase this number.

This year a delegate was sent to the Club Conference held in February.

The Eastglen Library Club, consisting of 45 members, is an organization whose sole purpose is to be of service. By providing additional part-time staff, the club aims at promoting a keen interest in good books for both students and teachers. It also serves as a school where the members teach and learn the processing of books as well as gain knowledge on how to run a good and efficient library. The Library Club aims at maintaining the best possible circulation of books and other materials from the library.

Each member does his share of the work in the library in addition to attending the regular business meetings held on the third Wednesday of the month at 3:45 p.m. in the library.

Workshops are held frequently after the business meetings to enable new members to acquaint themselves with the workings of the library.

On November 22, 1961, a Get Acquainted Party got under way. The old and the new members got to know one another through games and talk. Following Easter Examinations a bowling party will be held, and an End-of-Year Social is also planned.

As a feature of the March meeting, a speaker was invited to discuss the possibilities of a career as a librarian. All students were welcomed.

In recognition of their service to the school, each member will be presented with a pin by one of the school's administrative staff at the close of the spring-term.

The Table Tennis Club is an organization which attempts to provide enjoyment for the many table tennis enthusiasts at Eastglen. Its members, numbering about thirty, are allowed to play every day during the noon hour. Games are played on two tables located in the basement of the school. Members compete in a continuous tournament throughout the year. Their names are placed in a pyramid shaped board and the players strive to reach the top of the pyramid by defeating all those above them. Periodically, the top eight members, among them two girls, are chosen to represent Eastglen in interschool table tennis competition. At the end of the year those eight persons who have consistently shown themselves to be the best in the club represent Eastglen in a large tournament at Scona, where many of the city high schools are represented. The activities of the Table Tennis Club are culminated at the end of the year by a large tournament in which each member is given an equal chance to win the championship. At the end of a week of hard fought contests the club champion is declared. Although, certainly, every player does not achieve this honour, it is the goal of every member of the club.

The aim of the U.N. Club is to provide a means by which Eastglen students may learn something of the U.N. and its work; to inform students of other countries and other peoples and to inform students of many of the things which will help them to become good citizens of the world as well as of Canada.

The U.N. Club attempts to have at its meetings debates, panel discussions, films, and other materials which might prove interesting and worthwhile to the student. The club undertook to support U.N.I.C.E.F. during the fall by soliciting donations from the students.

Late in January a Public Speaking contest was sponsored by the club. It is hoped that this event will become an annual affair with a permanent trophy to be awarded each year.

The club has approximately 10 regular members and meets every second Wednesday at 11:45 in Room 130.

FROSH WEEK

Early in the school year Eostglen's grade ten students were each given a beautiful blue and gold beanie. Naturally, the grade eleven and twelve students were delighted. Three noon hour assemblies helped the Frosh become acquainted with Eastglen and the student body. On Friday a Kangaroo Court, staged by the seniors, brought the "hand of justice" down on all evildoers. The Frosh Frolic wound up the three days activities. This successful party introduced all the little Frosh boys to all the little Frosh girls, and vice and versa. The decapping ceremony, directed by Margaret Kopala, officially completed Eastglen's initiation.

CLUBS WEEK

Clubs Week, October 4, 5, and 6 was the first of its kind in Eastglen's history. Various clubs in the school set up booths in the Rotunda. Their activities were publicized with posters and information such as the nature of club activities, the time and place of meeting were given.

On October 4, the Social Clubs took the spotlight featuring the Booster and Dance Clubs.

The Athletic Clubs including Swimming, Curling, Badminton, Table Tennis, Archery and Rifle were the centres of attraction on the 5th. Future Teachers' Club, Science Club, the Inter School Christian Fellowship group, the Art and Drama Clubs, Photography, Yearbook, Library and United Nations Clubs were featured Friday.

This one week devoted entirely to the Clubs of our school increased enrolment in most of the clubs thus increasing school participation in these extracurricular activities.

CAREER DAY

BRENT PICKARD

The students of Eastglen, on March 6, Career Day, had the privilege of hearing, learning, and inquiring about careers that may be of interest in their future. When members of various professions gathered at Eastglen to speak to the students on their particular vocations, they acquainted students with the opportunities and advantages of their work. Careers included those from the professional and semi-professional fields as well as careers from the armed services. This year, Career Day proved to be extremely interesting and informative, and undoubtedly enlightening many students to new and challenging professions.

SADIE HAWKINS DANCE

The Sadie Hawkins party, "Moonshine Madness" was promoted by a ticket sale competition won by Room 120. Mr. Dyminiaw, the master of ceremonies, carried the party along at a feverish pitch. The featured group of the evening was the renowned "Eastglen Trio." To those students with the best costumes, prizes were given: Barry Kenyon, Originality; Stan Heard, Best Dressed; Doug Riske, Most Beautiful, while Mary Alice McLeay was awarded the Booby prize.

THE UNITED NATION'S DAY

A noon hour assembly marked Eastglen's observance of United Nations Day. A good number of students gathered in the auditorium to hear the winners of the various United Nations Scholarships speak. Mr. Blacklock was chairman of the assembly. Sandra Beavis, Linda Doeling, Bozena Kiszyk and Kees Joziasse, winners of the Banff Summer School Scholarships spoke on their many activities at the United Nations Seminar. The winners of the UNESCO Scholarships, Jim Wright, Bill McClary and Barbara Chalmers, outlined their experiences at the University of Alberta Science Seminar.

Displays throughout the school, courtesy of Mrs. Cooper and Mrs. Kalinowsky, drew the student's attention to the United Nations — and its Anniversary.

U.N. PUBLIC SPEAKING CONTEST

The U.N. Club on January 31 branched out into a new field of endeavour. The first annual United Nations Club's Public Speaking Contest was held at noon in the auditorium on that date. Five students competed and were judged by three Eastglen teachers: Miss Ullman, Mr. Anderson and Mr. O'Brien. Kees Joziasse chaired the competition.

The five competitors chose topics from a list drawn up by the U.N. Club. The first speaker, Barbara Dawson, discussed the contribution of the U.N.'s Specialized Agencies to world peace. She pointed out that they have done as much, if not more, than the General Assembly. Dale Lastwika, the second speaker, gave his opinion concerning World Government, and stated that world peace was dependent upon some form of world government. The question of Red China's admission to the U.N. was dealt with by the third and fourth speakers, Cyril Lafferty and Lydia Semotuk. Cyril argued that no aggressive country such as Red China could be admitted to the U.N. while Lydia stated that one-fifth of the world's population certainly could not be ignored and should be represented in the U.N. David King, the final speaker, stated what he felt was the U.N.'s role in Katanga and the Congo. He said that the U.N. had every right to meet force with force.

Thursday noon, Lydia Semotuk was announced the winner of the contest with Dale Lastwika runner-up.

The U.N. Club considered the contest a great success as it was well attended and received excellent comments. The club plans to continue the contests in the future in order to promote interest in the U.N.

DRAMA CLUB ONE-ACT PLAY FEST

The usually dreary noon hours at E.C.H.S. were unusually enhanced by the Drama Club's production of three one-act plays during the week of March 5-9.

The members of the Club rehearsed the three plays, "Hands Across the Sea," "Fright" and "The Courting of Marie Jenvrin" for some two months. The plays were under the direction of Doug Riske, David Twigge and Mr. Wilson respectively. "Hands Across the Sea" dealt with the experiences of a high society, sophisticated, flutter-brained woman. "Fright" told the melodramatic story of an attempted murder and "The Courting of Marie Jenvrin" was the well known play about the Fernch madamoiselle who promised to marry the man who brought her a cow.

The first two plays set a precedent at E.C.H.S. as they were produced using the novel method of Theatre in the Round. The audience surrounded the actors on three sides and entrances were made through the audience. Technical difficulties were encountered using this type of theatre but the rewards were greater for both actor and audience. The audience received a much closer and more detailed study of the character and the actor found it easier to convey his character. The sets for all three plays were built by the Drama 10 classes while the backstage work was done by the Club members.

All three plays were very well received by the students and many were turned away from the Round productions as the seating was limited. The Club hopes to do the same next year on an enlarged scale.

Douglas Riske.

YEAR PLAY-THE HAPPIEST DAYS

On November 28 and 30, and December 1 and 2 the Eastglen Drama Department under the direction of Mr. M. Porsca presented "The Happiest Days of Your Life," a delightful English farce written by John Dighton.

The setting of the play was Hilary Hall, a typical English school for boys; the time was shortly after the Second World War. The plot dealt with the very interesting incidents which occurred when the Ministry of Education erroneously assigned a girl's school to share Hilary Hall with the boys.

Congratulations from all Eastglen go to Mr. Porsca and the two casts and crew for the excellent acting and fine backstage work which they did in producing this highly entertaining and successful play.
